

## Directions To HGO

From Sacramento take I-80 east (go past the Colfax exit) to the Blue Canyon off-ramp. (A good warning sign that you are near Blue Canyon is a 5,000 foot elevation sign to the right.) At the end off the off ramp there is a stop sign, turn right on to Airport Rd., . (Always stay to the right.) Drive straight thru the cul-de-sac area, past the gate and on to the access road up to the tarmac area. Please drive slowly to avoid kicking up dust.
